TO WHOM IT MAY CONCERN:

I take great pleasure in recommending to their notice for the position of Secretary or Stenographer Miss Minna Brucker. She worked for the American Association of Engineers for over a year and during this period, in my capacity as Chairman of many of the Committees, I found her very efficient and faithful..

Owing to a change in the personnel, her position became vacant and we had to dispense with her services.

My dear Miss Brucker:

Do you happen to remember what date the last bills to 1927 delinquents were sent out? And can you tell me where the 1927 delinquent members are filed? Or, perhaps, there ~~am~~'t any! I can only find the 1926's. Mr. Noe is sure you have names and dates filed away somewhere, but I can't find them. Many thanks!

Yours very truly,

C. L. Spencer

The second notices were sent out, I believe, in July. I don't remember the exact date. The delinquent members for 1927 were not taken out of the file. You can tell who they are by looking at the back of the cards. I made out a list of them in pencil on yellow paper, which, I believe, is in the Council file for 1927 - the general file that is in the cage. If you'll pull out the drawer the cards will find

at the back a typed list of people
who became members since the 1926
Proceedings were printed. I suppose you
may want this at some time.

Mr. Brucher
